**Attachments:** 20161001 Reply Brief Filing Package.pdf

Hi Andy,

As you may recall, Food & Water Watch and the Assateague Coasta Trust petitioned for judicial review of the Department's General Discharge Permit for Animal Feeding Operations. I previously sent you the Appellants' supporting memorandum and MDE's answer. I have attached the Appellants' reply to this email. I am wondering whether you have any comments with regard to their monitoring argument. Let me know, thanks.
